

<BY CAR> (Follow the red arrows(→) on the map)

- ① If you visit Cargo Building No.5 from Tokyo by using Higashi Kanto Express way, you have two options as to where to get off this Express Way. The first option is to get off at Narita IC and take Route 295 to make access to Gate No.2, which is one of the check points for incoming vehicle to Narita airport. The second option is to get off at "Terminal 2 & 3." exit at Narita Airport IC and move to the Gate No.2.
- ② When you come closer to the Gate 2, you will find several lanes to pass through the Gate, where you are requested to move to the leftmost lane, which will be recognized by the signboard of "貨物地区", hanged on the upper side of the Gate 2.
- ③ After you pass through the Gate 2, take the road on the left to reach the security gate of Cargo Building No.5. You are requested to show your intention to the security officer at the gate that you would like to enter the Cargo Building No.5.
- ④ Only automobiles and trucks with drivers and passengers can pass through the security gate, where the entrance of pedestrians to the gate are prohibited. After entering the gate, please turn to the left to go to the Cargo Building No.5.  
※ You need to present your ID card, when you enter the cargo area.

<BY TRAIN> Follow the green arrows(→) on the map)

- ① Take Keisei Line or JR Line to Narita airport, and get off at the Passenger Terminal No.2 Station within the airport.
- ② Since Cargo Building No.5 is next to Passenger Terminal 3, you are requested to take the walk-through from Passenger Terminal No.2 to Passenger Terminal 3. When you arrive at the location where escalators are connected the Terminal 3, do not take these escalators, but take the pedestrian walkway on the left side of the elevators to move to the Cargo Building.
- ③ Proceed the greenly coated pedestrian walkway and enter the area of Cargo Building No.5 by passing through the security gate. At the gate, you are requested to show your intention to the security officer that you would like to enter the Cargo Building No.5.
- ④ After entering the area of the Cargo Building, please turn to the left to go to the Cargo Building No.5.  
※ You need to present your ID card, when you enter the cargo area.
